Additionally, the following information is being provided to the applicant for admission to the Virgin Islands Bar as a guide to assist in becoming an E-filing User as required pursuant to VISCR 40.5(b) for the purposes of filing an Application for Admissions to the Virgin Islands Bar. The following information is not intended to substitute the VISCEFS Electronic Filing Manual which is available for download on the Court's website at <http://www.visupremecourt.org/wfData/files/VlefileUserManualR211Public.pdf> or by visiting the Court's website and clicking on the "Electronic Filing" Tab on the left menu bar. In addition to the Rules governing bar admissions, all applicants are encouraged to familiarize themselves with VISCR 40, which governs Electronic Filing in the Virgin Islands Supreme Court and Service.

FILING AN APPLICATION FOR ADMISSIONS

Regular Admission: Upon completion of the Application for Admission to the Virgin Islands Bar, the NCBE Request for Preparation of a Character Report and all pertinent documentation must be electronically filed with the application filing in accordance with VISCR 40.2.

Special Admission: An applicant seeking special admission is **prohibited** from registering as an E-Filing User prior to the Court's granting of the moving agency's application for special admission. Upon the Court's granting of application, a specially admitted attorney must register as an E-Filing User with VISCEFS in accordance with VISCR 40.3.

BECOMING AN E-FILER

Regular Admission: In accordance with VISCR 40.2(b), an applicant seeking regular admission is required to register as a Filing ("user") with the Virgin Islands Supreme Court Electronic Filing System (VISCEFS).

To register as a filing user, an applicant must first log on to the Court's website at www.visupremecourt.org.

There are two (2) ways that an applicant may navigate to the e-filing login from the site's homepage. The first way is to click on the item on the left menu bar that reads, "*Electronic Filing*."

Please note: By clicking on the "Electronic Filing" item in the left menu bar, an applicant will be navigated to a screen that will provide additional information relative to becoming an e-filer, a hyperlink to the Court Rules governing electronic filing and a hyperlink to the VISCEFS Electronic Filing Manual. Additionally, the user may view an overview presentation made before the Virgin Islands Bar Association regarding e-filing and review some of the frequently asked questions and responses regarding using the VISCEFS. The applicant must click on the menu item in the left menu bar that now appears under the "*Electronic Filing*" header that reads, "*Become an E-filer*" to navigate to the Login screen of the Court's website.

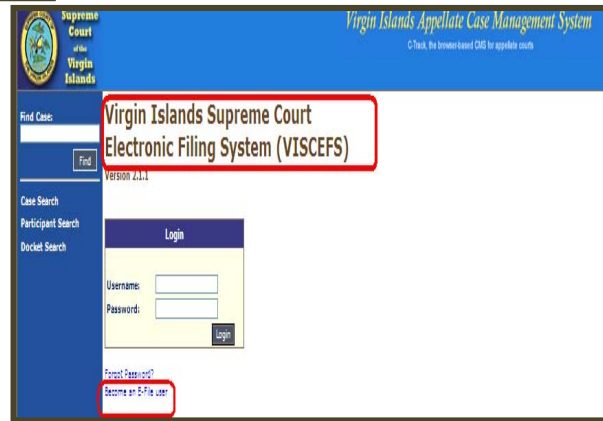

The alternate way an applicant may navigate to the VISCEFS to register as a filing user is to

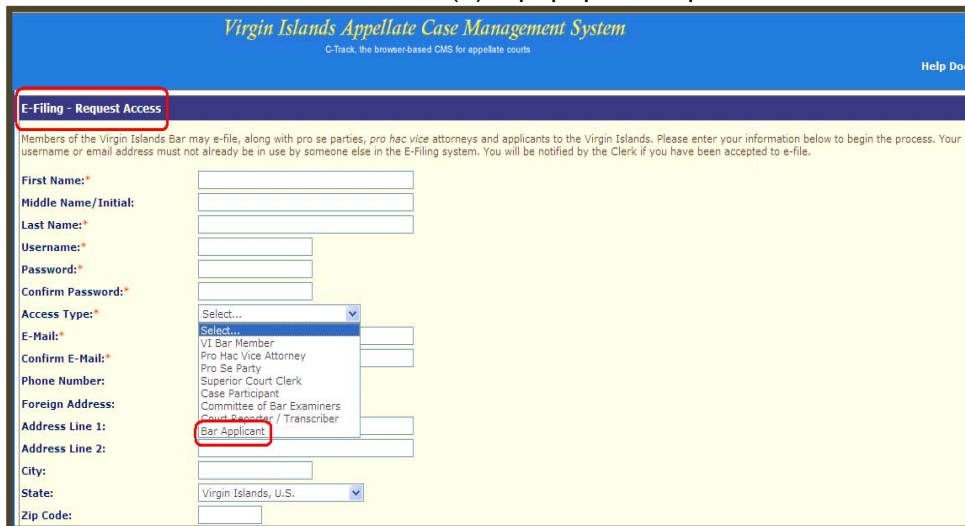

click on the icon at the immediate bottom of the left menu bar that reads, “Login to E-filing.” Both screens will navigate the applicant to the Log-in Screen for the Virgin Islands Supreme Court Electronic Filing System (VISCEFS) as illustrated.

On the VISCEFS Login screen, first time user to the VISCEFS an applicant must click on the hyperlink in the lower section

of the screen that reads, “Become an E-filer.” Then the applicant will be navigated to the “E-filing Request Access” screen. To gain access to the E-filing system on this screen, the applicant will need to complete the request form to gain access to the e-filing system.

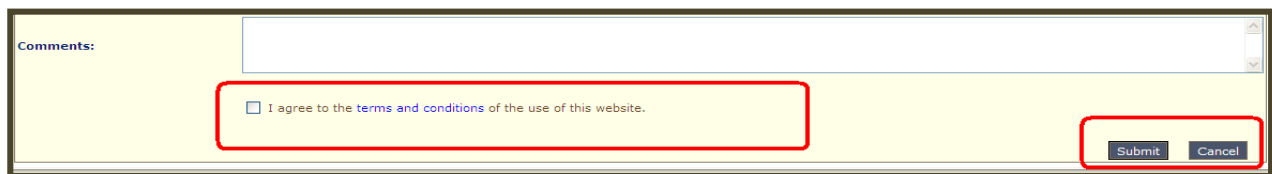

On the “E-filing Request Access” screen, the applicant will be prompted to input information that is pertinent to creating their VISCEFS filing user profile. A red asterisk (*) generally indicates a required field, and a red caret (^) generally indicates complex validation rules. If you hover the mouse cursor over a red caret, (^) a popup will explain more detail.

Please note: To access the secured e-filing functions of the VISCEFS, you will be required to have a username and password.

- **Access type:** the option, “*Bar Applicant*” must be selected from the drop down menu provided to be properly identified in VISCEFS.
- **Email Address:** It is strongly suggested that the email address that the user elect to use should be their primary secured email address, where the user has unlimited accessibility during the pendency of their Application for Admission to the Virgin Islands Bar.

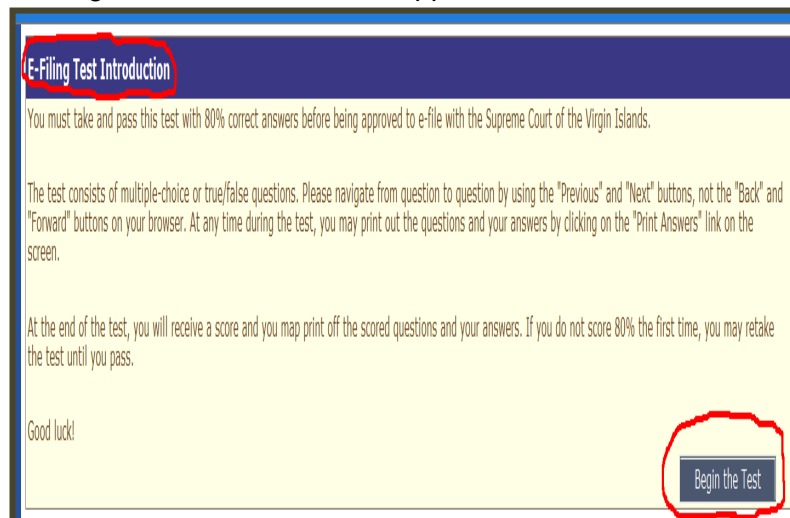

Once the applicant has completed the “*E-filing Request Access*” screen, they must agree to the “*Terms and Conditions*” of the Supreme Court of the Virgin Islands website which appears at the bottom of the screen.

The screenshot shows a web form with a 'Comments:' label on the left. Below it is a large text input field. Underneath the input field is a checkbox with the text 'I agree to the terms and conditions of the use of this website.' To the right of the checkbox are two buttons: 'Submit' and 'Cancel'. Red boxes highlight the checkbox and the buttons.

To view the language of the terms and conditions, the applicant must click on the hyperlink that reads, “*Terms and Conditions*” and a pop-up screen displaying the terms and conditions will appear. After the applicant checks the box acknowledging the terms and conditions the applicant must also click on the icon that reads “*Submit*” to proceed.

After clicking “*Submit*”, the applicant will be navigated to a screen, which will read “*E-filing Test Introduction*.” After reading the E-filing Test Introduction, the applicant must click on the “*Begin the Test*” icon. Once the applicant clicks on “*Begin the Test*” icon, they will be presented with a series of test questions. An applicant must answer several multiple choice and true and false questions regarding the E-filing process.

The screenshot shows a pop-up window titled 'E-Filing Test Introduction'. The text inside reads: 'You must take and pass this test with 80% correct answers before being approved to e-file with the Supreme Court of the Virgin Islands. The test consists of multiple-choice or true/false questions. Please navigate from question to question by using the "Previous" and "Next" buttons, not the "Back" and "Forward" buttons on your browser. At any time during the test, you may print out the questions and your answers by clicking on the "Print Answers" link on the screen. At the end of the test, you will receive a score and you may print off the scored questions and your answers. If you do not score 80% the first time, you may retake the test until you pass. Good luck!' A 'Begin the Test' button is located at the bottom right of the window. Red boxes highlight the title and the button.

Please note: During the test taking, the “*Save*” button will save answers entered on the current session of the E-file Test, and will stay on the current question. The “*Next*” button will save the answers on the current session of the E-file Test and navigate to the next question. The “*Previous*” button goes back to the previous question.

When the final question appears, the “*Submit Answers*” button must be clicked upon to submit the responses to be scored. After the responses have been submitted a score confirmation screen will immediately appear with the results. To obtain access to the VISCEFS, a passing score of 80% on the E-filing Test is required. The test can be taken as many times as needed in order to score 80%. Once the 80% On the E-filing Test has been obtained, the applicant will be navigated to a screen that will show a confirmation message indicating that the filing user profile has been successfully submitted to Office of Bar Admissions for VISCEFS profile confirmation and approval of access to the VISCEFS.

Please note: It is important to note that it may take up to 24-48 hours for the approval of a VISCEFS filing user’s profile and approval of filing user’s access. Therefore, an applicant to the Virgin Islands Bar is strongly encouraged to complete the VISCEFS test taking process and submit the user profile information as early as possible ahead of any impending application deadlines.

EMAIL NOTIFICATIONS

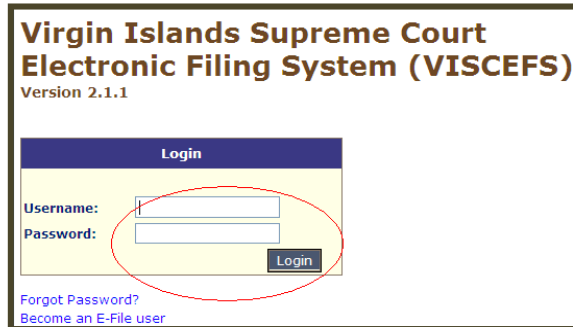

Access Request Approval: Upon the approval of an access request, a confirmation email is issued to the user as illustrated.

The email also contains useful contact information for technical support and contacting the Office of Bar Admission if any questions or concerns arise relative to the type of user access granted.

Please Note: Applicants are encouraged to save the email address administrator@visupremecourt.org as a “safe sender” in their email list of contacts, or add the sender’s domain “visupremecourt.org” to the list of safe senders to avoid any email message from the VISCEFS or the Office of Bar Admissions from being sent to the user’s “junk email” or deleted from the user’s system.

Once the user has completed their filings, the user may navigate back to the “My E-filings” screen by clicking on the “E-Filing” tab from the top menu tabs.

The status and their descriptions are as follows:

A user can review the filings in each queue by either clicking on the hyperlink under each status in the status column or by hitting the associated item on the left menu bar.

EMAIL NOTIFICATIONS

Additionally, the email contains useful contact information relative to technical support and or for contacting the office of bar admission if any questions or concerns arise relative to filing that

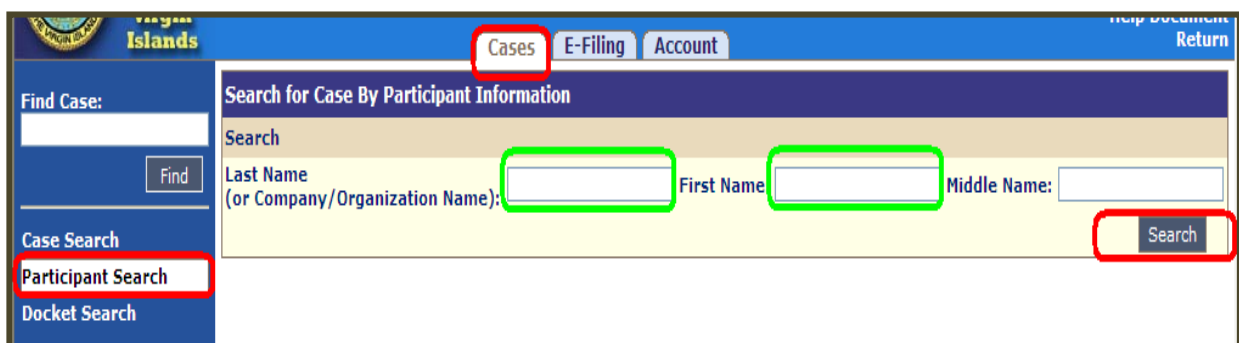

was approved.

Please Note: Users are encouraged to save either administrator@visupremecourt.org as a “safe sender” in their email list of contacts, or add the sender’s domain “visupremecourt.org” to the list of safe senders to avoid automated emails from the VISCECFs being sent to the user’s “junk email”.

DOCKET SEARCH AND E-FILING ON AN EXISTING CASE

In order to e-file a document, the user **must be logged in to** the system and select the case in which they want to e-file. After receiving the electronic notice that the Application for Admission has been filed, the user may search by navigate to the existing case by three (3) easy ways. First, the e-filing user may go to the “Cases” tab in the section of the screen as illustrated and then click on the “Participant Search.”

When prompted, the user should enter their last name in the space provided followed by their first name. Once this preliminary information has been entered the user must click the “Search” icon to continue.

Once the “search” has been completed, the screen will return the findings yielded.

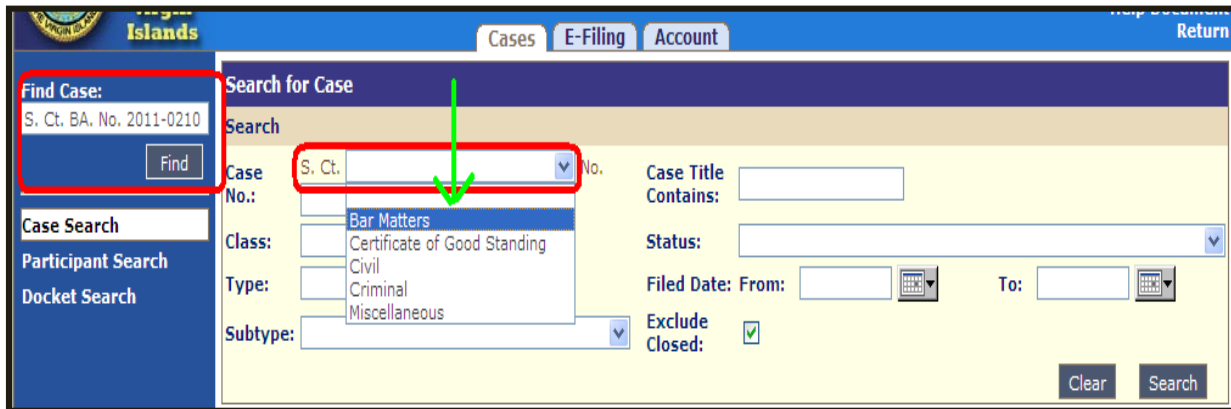

The screen would display “Case No.,” the case number that the application has been docketed under in the Office of Bar Admissions. Additionally, the screen will display the name of the user as the “Participant” in the matter, the “Short Title” of the case type, the “Filed Date” and the “Role” that of the participant, which would be listed as applicant. The user may click on the hyperlink of the case number which will navigate the user to the “Case View” screen where the case information will be displayed.

Please note: To e-file on the existing case from this screen the user would click on the hyperlink that reads “[E-file on this case](#)” which enables the user to navigate to “Create E-Filing” screen. From the “Create E-Filing” screen, the user may upload the documents as appropriate. If the [E-file on this case](#) is not visible on the screen, the user does not have permission to e-file documents on the case type. The user should ensure that they have inputted the right information and try the search again.

The alternative way the e-filing user may e-file documents for their existing application for admission to the Virgin Islands Bar is to log on to the VISCEFS, click on the “Cases” tab and select Bar matters from the drop down box next to “Case No.:" then enter the eight digit case number which would navigate the user to the “Case View” screen from there they may e-file on the case.

The third way the e-filer may search the docket and e-file on an existing case is to search by the eight digit case number complete with the docketing prefix assigned in the “Find Case” search bar at the top of the left menu bar (ex: S. Ct. BA. No. 2011-0210). When entering the case number using the “Find Case” search bar, the user can either enter the case number with or without the prefix. Both ways would navigate the user to the “Case View” screen from there they may e-file on the case.

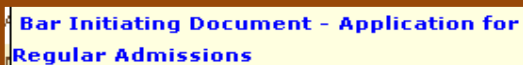

VIEWING DOCUMENTS IN A BAR ADMISSION CASE

Regular Admission and Special Admission case types are considered as “Confidential” case types and are treated as such in the VISCEFS. Accordingly, if a case is marked as confidential, the case and its documents will be visible only to the party/participant/attorney on that case type. Additionally, if a document is marked as “not public” by the Office of Bar Admissions, these documents will not be visible to any e-filers on the case.

To view a document, the user must first log into VISCEFS and conduct the desired docket search. Once the desired case type has been selected, if the user has permission to view a case that has been marked as “Confidential” or if the case is a “publicly viewable case, then user would be able to view once the “Case View” screen has loaded. The user must scroll to the “Docket Information section of the screen and any docket entry that contains a document, will display an icon as illustrated next to the docket entry status. By hovering the mouse cursor over the icon, a pop up box as illustrated.

A text box as illustrated will appear displaying the document description. Clicking on the desired document title in the pop up will open the document in “.pdf format.” A user may view cases either chronological or by threaded view.
